

DUAL-ADMISSION PARTNERSHIPS

RN-to-Bachelor of Science in Nursing

University of Maryland School of Nursing (UMSON)
and Carroll Community College (CCC)

General Program Information

- The UMSON Dual-Admission Partnership RN-to-Bachelor of Science in Nursing (BSN) program is available to eligible students once they are accepted into CCC's nursing program.
- Admission into the dual-admission RN-to-BSN is competitive and requires an overall GPA of 3.0 or higher in all undergraduate courses and a minimum 2.75 science GPA (Anatomy and Physiology I and II, Microbiology, Chemistry).
- If you meet the qualifications, you will be both enrolled as an associate degree student at CCC and provisionally admitted to University of Maryland School of Nursing (UMSON) as a Dual-Admission Partnership student.
- After being accepted into the Dual-Admission Partnership program and while enrolled as an associate degree student at CCC, you have the option to begin taking RN-to-BSN classes at UMSON.
- Upon completion of the Associate of Science in Nursing at CCC and the required prerequisites for the RN-to-BSN program, you will fully matriculate into UMSON to complete the BSN degree through the RN-to-BSN program; you are required to pass the NCLEX exam by the end of your first semester at UMSON.
- To receive the UMSON BSN degree (120 credits), you will transfer in 59 prerequisite credits, receive 30 credits for your nursing license, and take an additional 31 credits at UMSON.
